rush of visitors has already continued. The Cataract House opened May Ist, and is already find of New Orleans and Memphis people. This old house, which has been growing or fifty rears, is as palialiat as ever, and has undergone the ough repairs during the winder.

The International has opened. During the past five months the bouse has been undergoing rejuvenation. The balancy has been extended along the entire front of the original building, which greatly languages its emistactural appearance. Then the grandous titule has been greatly improved. The normal har been peasifiedly broand, the office of the past of th are these will be additional accommodates as a series where as white Bost Lake. The forward House will be kept in fit well known superior immurer, by J. B. Murray, H. odd time proprietor, and has almost doubted its fine fleet of sail and now boats, which, under command of "Under Ress"—whom everybody known—will add to the pleasure of the visitors. The heat pressible minarped and improved, and his fleet of boats doubted. There can coursely be such a crowd at White Bear Lake this year as to succeed the seconsmodations for them, and we expect to see that famous resort more frequented than ever, both by visitors from abroad and our own clintens. It is expected to the lake by duly I, with war running there. If so, the post tide of visitors there will be hat a cypher to those who will visit to under those circumstances. substituted.

Mr. A. H. Portier has sold his interest in for Lisbard, and Mr. D. J. Townsend has entered upon the Superintendency. Neglected status is to be disturbed, and sine walks and drives will soon threat the shedowy groves of that delightful locality. The fown lisbar is undergoing a thorough process of purifications, A host of new correctly shops are opening, and the town authorities have taking the hackman in head to proven in most long, and

Lake Como is somewhat prepared to dis-pute with White Beer Lake for the patronage of the pleasure seckers. There will be two stablishings there this season, each with a sumber of soats, and they will probably be CUSHING'S ISLAND.

Mains has introduced to the fashly world a new "watering place" for account. The Boston Truveller says name is "Cushing's Island." and the the most pretured on the coast.
